## PRINCIPAL'S MESSAGE

*What do students and parents need to know before school starts on Tuesday, September 1?*

Greetings from Bay View Middle School! There is a lot of very important beginning-of-the-year information contained within this newsletter. **Most recent news, articles and "things you should know,"** are posted on our website called [The Bay View News](#).

To help kick off the beginning of our school year, we will have our annual **Open House and Meet Your Teachers Night** on **Thursday, August 27, from 6:00 – 7:30 PM**. Please place this date on your calendar now and be sure to attend. Students who walk through their schedules, meet their teachers, set up their locker, and see their friends before school starts, truly have a better start to the school year.

As I enter my fifteenth year as Bay View's Principal, I look forward with great enthusiasm to a very special and successful 2015-16 school year. Please do not hesitate to contact any of our staff members if you have questions or concerns before the school year begins.

Your Partner in Education,

Steven J. Meyers  
Principal

### OPEN HOUSE/MEET YOUR TEACHERS NIGHT

Thursday, August 27—6:00 to 7:30 PM

We believe it is important for students to attend our Open House/Meet Your Teachers Night so that parents and students can both recognize where their classes are and be able to meet their teachers. It is also a valuable time-saver for students to bring their supplies with them to Open House so they are able to get a jump start on setting up their lockers. This will allow students to come empty handed and prepared to learn on the first day of school. You can also purchase your new Bay View apparel at the Bay View Pro Shop located in the Bay View Galley.

**Note:**

- \*We do not collect fees at Open House.
- \*Schedule errors should be reported to your STRIDE teacher or your School Counselor.
- \***Remember:** We will fix errors but do not accept requests to make course changes.

### HOW TO FIND YOUR WAY AROUND AT BAY VIEW: SCHOOL FLOOR PLAN

In addition, we have the classrooms and hallways clearly marked and have "You Are Here" maps located throughout the school for your convenience.

## PARENT POWERSCHOOL ACCESS

Parents have access to courses, assignments and grades online through our online grade book software called PowerSchool. You were asked in past years to create PowerSchool accounts to access your child's school information. You will need to use the username and password that you created as your login. If you have forgotten or misplaced this information, you may contact the front office at 662-8196 or email [lorismit@hssd.k12.wi.us](mailto:lorismit@hssd.k12.wi.us) **AFTER August 12**, and your password will be reset for you.

---

## DAILY AND WEEKLY ELECTRONIC COMMUNICATION WITH YOU

In an effort to provide the best home/school communication possible, you will receive DAILY ANNOUNCEMENTS electronically through PowerSchool. Parents must select this option in PowerSchool by selecting the email setup option.

It is important to keep the school updated with your home address, phone numbers and email addresses, so that we can successfully communicate information to you regarding your child. We are confident that PowerSchool will greatly enhance communication between teachers, parents and students—one of the most vital components to successful schools and student learning. You can update your information by calling the front office at 662-8196 or emailing Patti Stackman at [patrstack@hssd.k12.wi.us](mailto:patrstack@hssd.k12.wi.us).

---

## DUPLICATE CORRESPONDENCE FORM

Parents of students who have more than one address are asked to complete the Duplicate Correspondence Request Form.

[Click here](#) to access the form. This only needs to be completed if you do not already have a form on file.

It is important to keep the school updated with home address, phone numbers and email addresses, so that we can successfully communicate information to you regarding your child.

## REMINDER: School Begins at 8:00 AM on Tuesdays

(beginning Tuesday, September 15)

Teachers will continue to meet in Professional Learning Communities (PLC's) this school year. Each Tuesday, beginning **September 15**, teachers will gather in PLC's from 7:05-7:50 AM to share best practices, review student data, plan together, and learn from one another. This practice has proven to enhance teacher performance, personal attention to students, and overall achievement.

Busses will run at the normal time and students will be supervised until school starts at 8:00 AM if bussed students cannot make alternate plans to arrive at 8:00 AM.

If you have not done so already, we encourage you to make plans before school starts for the 8:00 AM Tuesday starts. We thank you in advance for your cooperation and understanding as we increase opportunities for teachers to learn and grow.

## MAIN ENTRANCE/VISITOR CHECK-IN

Our new Main Office at Bay View Middle School is located on the east side of the front entrance #1 by the circle driveway. Parents should enter school under the brown canopy and use the far right (East) door in the entranceway. For the safety of our students, all doors are locked at all times. When entering our school, you will need to use this entrance, press a buzzer, and be admitted by the secretary into the Main Office. **Every parent or guest to Bay View needs to check in at the Main Office, identify yourself, sign in and wear a visitor sticker if you will be remaining at school.**

We teach our staff and students that adults in the building who are unfamiliar to us should be wearing a visitor sticker. This means that the guest has properly checked in at the office. If an adult in the building is unfamiliar and not wearing a visitor sticker, staff and students are taught to report this to a staff member who will then approach the person or contact the office.

## ANTI-BULLYING/HARASSMENT POLICY

We have an Anti-Bullying/Harassment Policy to prevent bullying/harassment at Bay View Middle School. Bullying/harassment has always been around in schools. Yet, when we look at it more closely, bullying/harassment is really at the core of many problems that occur in middle school including attendance issues and its effect on overall learning. We believe that if we have an organized campaign to prevent bullying/harassment, our school will not only become a better place to be, but will also increase student learning.

A team of staff from Bay View created a policy which includes a vision, definition for bullying/harassment, specific goals, and education for students and staff on how to meet those goals.

Our Vision is: *Every person in the Bay View Community feels safe when they walk through our doors.*

Our Definition for Bullying is: *Bullying/harassment is hurting others on purpose through words or actions over time.*

You will notice, as you walk into Bay View, signs are posted indicating that bullying will not be tolerated. We will take all reports of bullying/harassment seriously, small and large, and want students and parents to be aware of this right from the beginning of the school year.

We are confident that you will agree that a middle school that is free of bullying and violence is what we want for all of our students. When students feel safe, they learn better. This is our goal, and TOGETHER, we will make it happen.

## CELL PHONES/IPODS/ELECTRONIC DEVICES

Students do not need their cell phones or iPods during the school day. We have hundreds of phones and each student has his/her own iPad. Therefore, cell phones, ipods, or other electronic devices may only be carried or used before the 7:25 AM STRIDE bell and after the 2:35 PM dismissal bell. If teachers want students to use/bring a device to class, students will be informed. Cell phones and ipods in class can be a serious distraction in a school setting. They are sometimes used to text inappropriate messages, can be disruptive when they go off, can be used for cheating, and can be used to take or send unwanted photos or videos. Those with cell phones or other electronic devices in their possession between the arrival and dismissal bell will have it confiscated and the following will occur:

- Students will receive an office referral resulting in discipline
- Parent/guardian will need to pick up the electronic device and meet with principal
- Student may not be allowed to bring phone to school

## ABSENCES

When reporting an absence, parents need to call our school's attendance line prior to the start of each school day your child is absent.

**Attendance Line: 662-8184**

---

## APPOINTMENTS DURING THE SCHOOL DAY

If your child will be leaving during the school day for an appointment, please send a note with him/her in the morning. Your child should bring the note to the **Student Center (across from the new main office) for a pass** during STRIDE. Note: When your child misses school for an appointment (partial or full day), it is recommended that you get an excuse from your medical provider indicating "the date and time" you attended the appointment and return it to the front office.

## TARDY

Students are given every opportunity to be punctual for school and/or class. A student who is tardy will receive a debit and will be subject to progressive disciplinary action for further violations.

## PLANNED ABSENCES

Unless an emergency exists, all absences that are for more than 1 full day and not related to illness or injury, require the completion of a Pre-Excused Absence Form 48 hours prior to the absence. You can contact the Bay View front office at 662-8196 with the dates and reason for the absence and we will get a form to your student. The form is also available on the district webpage or you can click on the following link: [Planned Absence Form](#). This form requires both the parent and teachers' signatures.

---

## ILLNESSES AND MAKE-UP WORK

Our school guideline for make-up work is that a student has one school day to make-up work for each day missed due to an illness. Students do **not** need to get all of their make-up work, complete it, and bring it to school the day they come back after an illness. Students can view make-up work on-line in Schoology. When requested by you, teachers will provide make-up work in the new main office within 24 hours. Our office hours are from 7:00 AM to 3:30 PM. Finally, should you have any questions or concerns regarding make-up work, please speak directly with your child's teachers to make arrangements.

## MEDICATION AT SCHOOL

For the safety of students, medications should not be taken at school unless it is absolutely necessary. Any medication to be taken at school needs to be brought in by a parent with the proper medication forms.

The medication needs to be in the **original container**, which indicates dosage amount and frequency of medication. These items will be kept in the health room. Students are not allowed to transport medications. Parents need to bring medications to school and take them home when a student is finished. This is for the safety of all students so there is no chance of passing medications between students. Medications will not be given to any student without the proper paperwork on file or if the medication is not in the original container. You can print the forms needed by clicking on the links below.

**Over the counter medication:** [Parent Request & Authorization to Administer Medication](#)  
(only form needed)

**Prescription Medication:** [Parent Request & Authorization to Administer Medication](#)  
(Both forms needed) [Licensed Prescriber's Request](#)

**Inhaler Usage:** [Inhaled Asthma Medication](#)  
(only form needed)

It is the responsibility of the student to come to the health room at the designated time to receive medication. If a student has missed a dosage at school on two consecutive days or is very inconsistent on coming in for medication, a parent contact will be made. Medication administration will be logged on an individual sheet for each student. Parents who wish to review that log may do so in the office. Parents may request to be informed if their child visits the health

## INDIVIDUAL HEALTH PLANS

If your child has a medical condition that our staff should be aware of, it is important that parents contact the district nurse so that an Individual Health Plan can be created. Please contact our school nurse, Emily Mroczynski at 920-662-7883 or at [emilmroc@hssd.k12.wi.us](mailto:emilmroc@hssd.k12.wi.us)

# Your Child's Attendance

## What Parents Can Do to HELP

- ◆ If your child will be absent, **contact the attendance line at 662-8184 each morning by 7:00 am**, to explain the reason.
- ◆ **Positive habits should be encouraged at an early age.** Make certain that your child attends school regularly, arrives on time, obeys school rules, and attends all classes.
- ◆ Parents are **encouraged to make appointments during non-school hours.**
- ◆ Medical, mental health and/or dental **appointments will NOT be excused unless a written excuse is provided to the school by the doctor/clinic.**
- ◆ **Expect strong support from the school** as you establish family practices that promote school attendance.
- ◆ **Pre-excused absences** count towards the 10 allowable absences per school year.

Please also remember parents can always check your child's attendance by logging on to [Power School](#)

---

## SCHOOL FEES

School fees should be paid prior to iPad deployment on August 18 (7th) and 20 (8th). Directions will be sent in August. **(School fees will not be collected at Open House).** For planning purposes, this year's school fees are listed below. Student fees will vary based upon the elective courses chosen. If you have any questions regarding your fees, contact Vicki DeMain at 662-7970.

<u>Textbook Rental Fee</u>	\$40.00
<u>iPad Insurance Fee</u>	\$35.00
<u>Athletics</u>	\$20.00/sport

## BAY VIEW DRESS CODE

At Bay View it is our belief that a student's dress/appearance should not and will not be a distraction to a

student's own or others' learning environment. However, we approach dress code issues with a correcting rather than merely a punitive approach.

### **Dress Code Guidelines**

No clothing which displays offensive, violent, obscene or suggestive graphics or statements will be allowed (i.e. "FBI: Female Body Inspector"); No clothing that displays references to tobacco, alcohol or other drugs, etc.; No chains, metal nubs/spikes, bandanas, gang colors/affiliations, inappropriate wrist bands, etc.; No outdoor jackets may be worn in classrooms without individual teacher/school permission; No undergarments or inappropriate body parts may be showing; No clothing can be worn in a manner in which it was unintended to be worn (i.e. altering the position, length, consistency of the clothing). This list is not all inclusive and the Principal and Associate Principal will make the final determinations regarding dress code.

### **Dress Code Violation Procedure**

Staff members will record a Dress Code Violation in PowerSchool. Violation notification will be communicated to parents, STRIDE Advocate, and the Bay View office. After repeated violations, an office referral will result, and consequences will be given. Normally this will be an after-school detention, depending on the severity of the violations. When in doubt, parents/students may check with Mr. Meyers at 662-8120.

## PARENT – STUDENT HANDBOOK/MANUALS

The Bay View [Student Handbook](#) is our school's major means of communicating student programs, procedures, rules, and policies. It is vital that students and parents read and become familiar with the contents of the handbook. This information helps learning, keep students safe, and helps our school run smoothly.

Our District will send home a [District Parent – Student Handbook](#) which contains district-wide policies and procedures.

[STRIDE Guide](#) – STRIDE stands for Students Taking Responsibility in Demonstrating Excellence. It is our support and discipline program and contains guidelines for behavior, consequences, and reward systems.

[Student Activities Manual](#) – We have a separate manual for co-curricular activities which contains all activities, seasons, contact information, and our guidelines and policies.

All Handbooks are available on our website. Click on the Handbook links above to view them. It is an expectation that parents and students know and follow the policies and rules in our handbooks.

Handbooks are also available on our Web Page. Please read and discuss this information as a family. You will be required to electronically sign the **Parent/Student Support Agreement** for all of the handbooks during the on-line registration process. Thank you for your cooperation.

Reports will be given from various committees along with a regular report from each of the principals. Each club will continue to have its own treasury and fundraising activities. There are still some “open” parent involvement opportunities available. Visit the Lineville/Bay View Parent Club webpage at: <http://bayviewhssd.weebly.com/parent-club-lvbv.html>, to learn how you can get involved! # AWAKEN YOUR INNER JEDI

## Bay View Student Council 2015-16

Welcome back from the Bay View Student Council (BVSC)! We are SO excited to introduce our theme this year, which is ***Awaken Your Inner Jedi***. With the release of the newest Star Wars film due in December, our group wanted to create a theme that paralleled some of the legendary leaders that have emerged from these movies over the years. A Jedi is certainly one of those legendary leaders. Jedi fight for peace and justice and uphold all that is good in the Galactic Republic. BVSC's mission is to create a safe and enjoyable atmosphere here at Bay View. So, like Jedi, we want to encourage all of our students to work together to promote peace, justice and, good choices. We hope that our theme helps to be a constant reminder of these goals and helps all students and staff to ***awaken their inner Jedi*** for the 2015-16 school year.

We are definitely doing some things differently this year. Please look for more information coming in September and throughout the year on the following:

- **Representatives (formerly Ambassadors)**- STRIDE groups will elect a member to represent their voices at a monthly meeting that occurs during STRIDE
- **The Buzz**—the weekly video newscast will morph into a student-led collaboration between BVSC, POPS, and SWAG
- **Birthday Cakes**—order forms will be available at Open House and can be located in this newsletter
- **Student/Staff Recognition**—monthly recognition of students (Padawans) or staff (Jedi) based on character traits
- **NEW Donate Life Walk**—our major community service effort which involves an annual fun walk/run that occurs in April 9, 2016

## STUDENT DROP OFF/PICK UP PROCEDURES:

As we begin another school year at Bay View, we will again focus on ensuring the safe and smooth arrival and departure of our students. To ensure the safety of each student, we ask parents to review and adhere to following procedures.

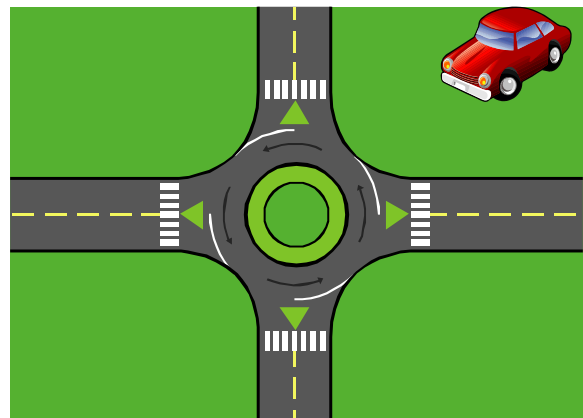

**Students Being Dropped Off/Picked-Up** – Parents are asked to drop off and pick up children **on the west side of Cardinal Lane and along Woodale Avenue** (north or south side of the road and west of the far west crosswalk). You may also drop off and pick up on Jaymar Street. Students are reminded to use the sidewalks, crosswalks, and walk to the building and wait for permission to enter the building at 7:19 AM. There should be no traffic on school grounds for drop off or pick up. Parents may use the circle entrance during the regular school day when conducting school business.

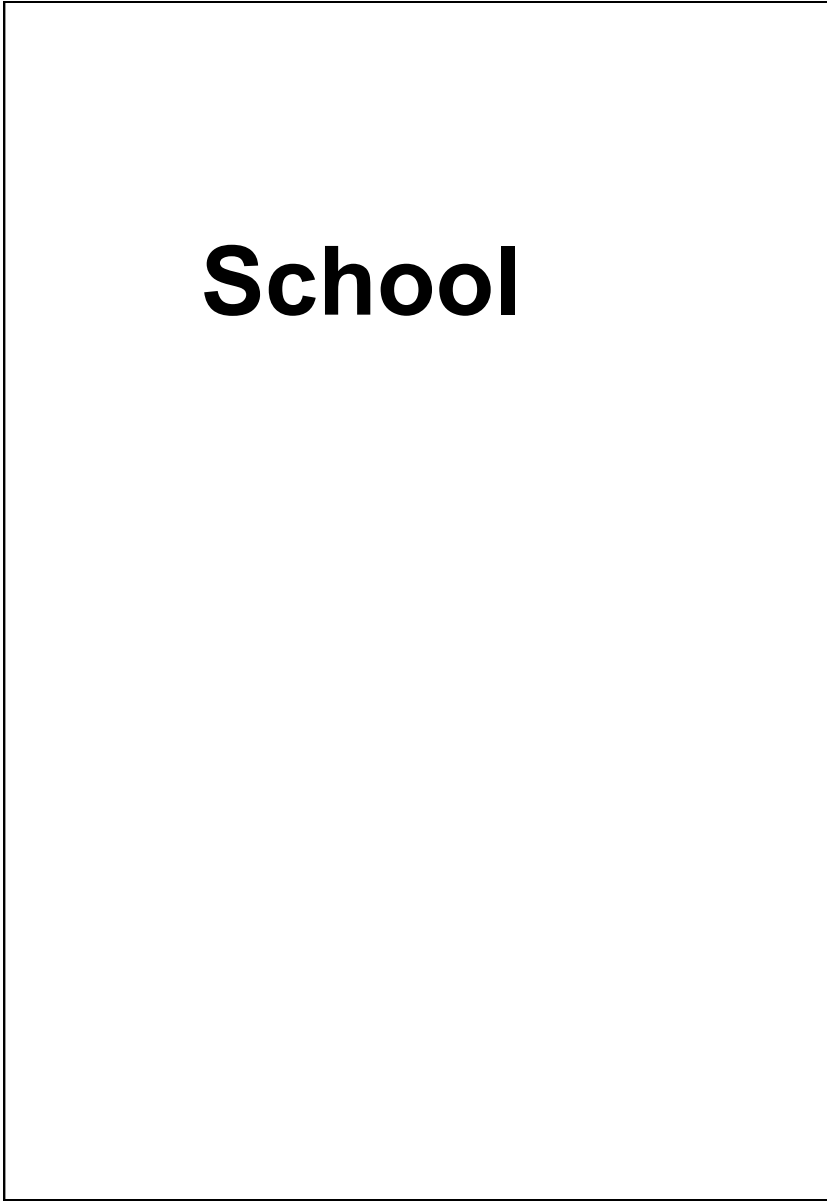

**Students Walking** – Students must stay on the sidewalk area in front of school and at no time should they stand in the driveway or any other traffic area. Students are also reminded to utilize and obey the crossing guards at the designated areas.

**Building Entrance** – The following doors should be used for entry/exit by those students who are walking or being dropped off:

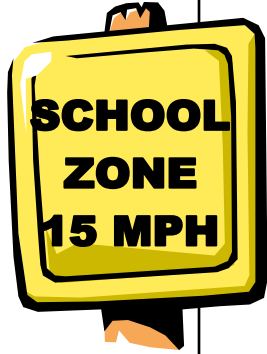

- **DROP OFF, PICK UP AND WALKERS** Students who are dropped off, picked up and walk to school should go in and out of the doors closest to your arrival/departure. Students coming from the North on Cardinal Lane should gather at the Main Entrance (#1 or #2). Students coming from the East on Woodale Avenue, should arrive/depart at entrance #1 or #2. Those from the West, should gather at entrance #3.
- **BIKE RIDERS** Students who ride bikes to school are strongly reminded to follow and obey all rules of safety for bike riding, as well as directions from crossing guards stationed throughout the area. When arriving at school, students need to follow the sidewalks and go directly to the bike racks, which are placed outside entrance #3. Once at the bike racks, students stay at the bike rack area and wait to be permitted into the building by the supervisor at the bike racks. Students are not allowed to ride bikes across any school parking lot at any time. When leaving, exit through these same doors.
- **BUS RIDERS** -Students need to enter and exit the building through the commons doors (Entrance #4) or the doors by the maintenance shop (Entrance #5), depending on where they are dropped off from their bus. They are reminded to take the most direct route when entering and exiting the building.
